Pace: 8; **Parry:** 6; **Toughness:** 5 (1)

Special Abilities:

- **Armor +1:** The corpse shell affords enough protection to grant Armor 1.
- **Bite:** Str+d6. This attack is only possible when the husker is outside its corpse shell.
- **Corpse Shell:** The hatchling husker is usually still encased in a cadaver when encountered. The body absorbs 1 wound before falling away like a ghoulish cloak.
- **Fear:** Huskers are alien and repulsive things that provoke an immediate Guts check.
- **Poison Spit:** 2/4/8; Special; ROF 1. Huskers spit poison at an opponent by making a Shooting roll (at +4 if they do not move). They always make a Called Shot to the head (-4). If the gob of poison hits, the target must make a Vigor roll or be blinded for 2d20 minutes.
