

LANKHMAR

CITY OF THIEVES

ERRATA

P20

The Gear chart had multiple minor corrections. Rather than list them individually, a fully updated version is on page 2 of this document for your convenience.

P36

Add: *Confusion**: This power can affect up to five targets with a single casting but suffers a -1 Casting Modifier per target.

P37

Growth/Shrink: Change "Strength by two steps and Toughness by 2 die types." to "Strength by two steps and Toughness by 2 points."

P38

Summon beast: Change "the beasts appear" 1d10 × 2 yards away" to "1d10" away"

P59

Book quote: Change citation from "Ill Met in Lankmar" to "Thieves' House."

P70

Grounding Wire: Third paragraph change "by making a second melee attack roll against his Parry" to "by making a second melee attack roll against the target's Parry."

P95

Master Thief: Change Parry to 6.
